FOCUS ON POULTRY

Science

- » Observe the 21-day incubation period and track the development of a fertilized egg.
- » Monitor the effect of environmental conditions on your birds.
- » Track genetic traits in your breeding birds.

Citizenship & Leadership

- » Hand out food samples at your local grocery store or farmers market.
- » Volunteer to help at a local poultry show.
- » Teach others how to handle birds safely.
- » Lead a poultry selection and feeding clinic.

Communication

- » Design a poster on the parts of a bird.
- » Participate in the contests at the Michigan State 4-H Poultry Palooza.
- » Explain the use of birds for meat and egg production.

Life Skills

- » Use critical-thinking, problem-solving and decision-making skills to help you make good decisions about project management.
- » Keep records on your project expenses and income.
- » Practice personal resiliency through successes and challenges in your project.

HOW CAN YOU GET INVOLVED?

- » Contact your local Michigan State University (MSU) Extension office for workshops, activities and events.
- » Tour a poultry producer's farm.
- » Attend a poultry show and observe the judges and their techniques.
- » Attend a 4-H poultry project meeting.
- » Design a business card or marketing brochure for your farm.
- » Write an educational article about some aspect of poultry production for your local newspaper.
- » Participate in a poultry quiz bowl, judging contest or other contests.
- » Organize a poultry showmanship contest.
- » Attend the National 4-H Poultry and Egg Conference.
- » Job shadow a local veterinarian to learn about animal health.
- » Attend the Michigan State 4-H Poultry Palooza.
- » Show at your county fair.
- » Complete a poultry project record book to track your income, expenses and experiences in your poultry project.
- » Contact your local MSU Extension 4-H staff to be nominated to serve on the State 4-H Poultry Committee.
- » If you are interested in a college education in animal science or veterinary medicine, visit Michigan State University's website at www.msu.edu to explore those majors.
